

Joann “Jodi” Holland

BIOGRAPHY:

As a current member of the Board of Trustees for the Geneva Public Library, I have had the honor of working to support the library in being fiscally responsible while continuing to provide a broad range of programs which address the needs and interests of community members of all ages.

In addition to being a member of the Board of Trustees, I have served several years on the Geneva Library Foundation Book Sale Committee and Geneva Writes Committee. You can frequently find me at the library participating in classes, book clubs, working at book sales and helping to maintain the library's Balcony Bookstore.

Geneva has been my home since 1990. I raised a son here, went to college at FLCC and Keuka College and worked as a social worker in the area for 30 years. I have a strong commitment to the Geneva community and wish to continue to support our quality public library.
